Spring 2016

Three for Three

2016 was three for three for **Matt from Bellingham WA** (right) . It's been three consecutive years of Matt bringing a group to Omineca for Spring Bear hunting. We always have a good time and a great hunt together. **1)** Matt with guide Wes (left) and Matt's third Bear at Omineca, his first "cinnamon", properly known as a colour phase Black Bear.
2) On the stalk - Wes and Matt.

For the second year Chuck, joined his buddy, Matt and brought his son Lucas (next page).
3) Chuck hanging loose in his cabin. **4)** The Boys enjoying the view and an after-hunt cocktail.
